Emy Weaver
Legal Assistant

Dear Sabine County Judge, Daryl Melton:

I am sending this letter of intent to resign from my position as Sabine County Attorney at the end of August, 2026.

It has been my privilege to serve the citizens of Sabine County, Texas in this capacity since 1999. I thank God for the wisdom and strength he blessed me with that allowed me to perform this job.

I am also deeply grateful to the many local law enforcement officers, county officials, county employees, and public servants with whom I have had the honor of working with over the years. Your dedication and commitment to serving our community have made my job both rewarding and meaningful.

I believe that this is a good time for me to resign as we have a young experienced candidate who desires to serve in this position. He has served as an uncompensated volunteer Assistant County Attorney in Sabine County since August of 2025. He previously worked as the Assistant District Attorney in Orange County, Texas.

I would agree to serve as his uncompensated Assistant County Attorney, if requested, for the remainder of my term.

I will continue my private law practice and this move will allow additional time to serve our clients. As a resident and business owner in the county, I remain committed to contributing to the betterment of Sabine County.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert G. Neal, Jr.", written over a horizontal line.

Robert G. Neal, Jr.
Sabine County Attorney
