Sabine County Commissioner's Court,

Please accept this letter as formal notification that I am resigning from my position as Sabine County Judge. My last day with the county will be midnight, Monday, August 31, 2026.

While it is bittersweet to move on, leaving this incredible group of team mates is one of the hardest decisions I have ever made because of how much I have valued our time together. Working alongside the Commissioner's Court and everyone else at Sabine County has been an absolute privilege. I am incredibly grateful for the patience, kindness, and mentorship you have personally shown me during my time with Sabine County. County officials and staff employees created an environment where I felt comfortable to learn, make mistakes, and grow both as a professional and as a person.

I will always look back on my time here with fondness, especially our team's shared laughs and the way we supported each other through challenging projects. Thank you for believing in me, pushing me to reach my potential, and creating memories that I will carry with me throughout my life.

During my remaining time, I want to make sure I support the county court and staff as much as possible. I am fully committed to wrapping up my current projects and hand off my duties to the newly elected County Judge for a seamless transition. Please let me know how I can best help during the next few weeks.

I truly wish you all, nothing but continued success, growth, and happiness in the future. I would love to stay in touch as our paths move forward.

Thank you once again for everything.

Sincerely,

Daryl Melton
County Judge
