Signature Authority Designation

All Contractors/Potential Contractors are required to fill out and submit this form to establish the authorized signature authorities and designees. Authorized signature authorities and their designees are those representatives authorized to approve and sign contract documents on behalf of the contractor.

The Contractor may: (1) designate additional signature authority by including the additional signature authority's name and title; or (2) verify that the signature below is the only signature authority designated for contracting with DFPS.

The Contractor understands that there is an ongoing duty to notify DFPS in writing of any change to signature authority during the term of the contract with DFPS. The Contractor verifies that the signature(s) below is a complete, true and correct representation of signature authority.
